# Welcoming You...

## Dear Colleagues:

It's a pleasure to welcome you to Johnson & Johnson's Fremont Campus! This is an exciting time and we are pleased to share this Fremont Campus Guide with you to help make your move and transition to Fremont as smooth as possible.

The guide is full of useful information to help familiarize you with both the new campus and the surrounding Fremont area. We've organized the guide with a table of contents so you can easily find and print the information you'd like to keep handy. Outlined in the guide you'll find answers to commonly asked questions about directions to campus, locations of amenities on campus, your initial set-up, places to eat or exercise, and even nearby shopping options.

As you know, this move is an important part of our long-term strategy to drive growth and competitiveness efficiently while retaining core capabilities and expertise here in California. We are excited about the opportunities the move provides for us, both internally and across our multiple businesses and sectors.

If you have any additional questions after reviewing this guide, please do not hesitate to contact the Facilities Help Desk at ext. **2411** for assistance. We look forward to seeing you around the Fremont campus!

Sincerely,

Your Fremont Move Leadership Team

**Loren Arms Christy Dorris Maricela Monge Bill Brier Stefana Burlacu Adam Laponis**

## Getting Here:

Where's the campus and what are my options for commuting?  
(... continued)

- **Bridge tolls**

Tolls are \$5 for westbound trips, with no toll assessed eastbound. The closest bridge to Fremont is the Dumbarton Bridge. FasTrack is available for automated toll collection via a transponder. Information is available at: <https://www.bayareafastrak.org/index.shtml>

- **Public transportation**

[511.org](http://www.511.org)

A good summary of available mass transit options and options for trip planning across transit agencies is available at: <http://transit.511.org>

Public transit is available via several options:

- o **BART**

The Daly City/Fremont and Richmond/Fremont lines serve the Union City station (approximately four miles from campus). Additional information on BART is available at: <http://www.bart.gov>

- o **ACE Rail (Altamont Corridor Express)**

ACE also provides rail service to the area. The closest stop is 4.2 miles from campus and is located at 37260 Fremont Blvd in Fremont. Connections to the Fremont campus are available via BART and/or AC Transit. Full information is available at: <https://www.acerail.com>

- o **Alameda County Transit (bus)**

The business park is also serviced by the Alameda County Transit system. The closest bus stop is near Ardenwood and Commerce Drive, which is approximately 0.5 miles from campus. More information is available at: <http://www.actransit.org>

- o **Dumbarton Express (bus)**

The Dumbarton Express provides weekday express bus service across the Dumbarton Bridge, connecting Union City (BART), Fremont, Newark, Menlo Park and Palo Alto (CalTrain). The closest stop to campus is at the Ardenwood Park and Ride Lot, which is approximately 0.8 miles from campus. [Visit http://dumbartonexpress.com/ for more information.](http://dumbartonexpress.com/)

- **Carpooling (program and incentives)**

Johnson & Johnson provides a range of commuter benefits and incentives to employees. Full details are available at: <https://www.benefitsweb.com/jnj.html>

- **Vanpools**

At this time, there are no active vanpools to this campus, but information on starting or joining a vanpool is available at: <http://www.vride.com>

- **Biking to campus**

For employees who wish to ride a bicycle to work, bicycle lockers are available in several spots on campus, which are noted on the campus map in the "Getting Around" section below. Keys to the bike lockers are available on a daily basis from the Security desk in Building 1.

As bike lockers are intended for employees to store their bikes during the business day only, bikes must be removed from the lockers and the keys returned to the Security desk on the same day the keys were checked out.

## Getting Around:

Now that I'm here, where exactly am I and how do I find things?

The Johnson & Johnson Diabetes Solutions offices are based on the 2nd Floor of Building 1 on the Fremont Campus.

- Please click [here to see the Fremont Campus Site Map](#).
- Please click [here to see 2nd Floor meeting and service rooms in Building 1](#).
- Please click [here to see 2nd Floor individual office/cubicle assignments in Building 1](#).  
*\*Note: To view office/cubicle assignments clearly, it's suggested you zoom in to 100-125%.*
- Please click [here to see 1st Floor meeting and service rooms in Building 1](#).

## Doing Business:

How do I get set up and find the support I need for my work as well as other services?

- **Identification badges: Employees, contractors and visitors**

Current employee badges will be activated to work at the new Fremont location, effective on the date of your scheduled move. No action is needed for employees.

Contractor badges must be renewed on a 90-day cycle. Sponsors of contractors will be contacted every 90 days to extend badge access.

All visitors to Fremont, including J&J employees from other locations, contractors, and temporary visitors, must be checked in via Security procedures and check in at the lobby in Building 1. Advance check-in for large groups is available by notifying Security ahead of time.

- **Keys: Offices, desks, cubicles, and file cabinets**

At Move-In:

All Milpitas employees and contractors relocating to the Fremont campus will receive instructions ahead of time to prepare them for their move and how it will happen. Each person will receive a move package that will contain, among other things, the individual's office/cubicles keys, and some may even receive keys for storage areas.

## Doing Business:

How do I get set up and find the support I need for my work as well as other services? (... continued)

During move-in dates, there will be a Concierge Team available to provide immediate assistance to ensure that employees are able to get moved in quickly and able to start their work as soon as possible. During your move-in, if you have any questions or are unable to access members of the Concierge Team, please contact Rashmi Ramaswamy at **(408) 472-8405** or [rmas24@its.jnj.com](mailto:rmas24@its.jnj.com).

After Move-In:

For questions about keys after the move is completed, please contact Security at ext. **2400**.

- **Calling Fremont Campus phone numbers**

*Please Note:*

*When directly calling a Fremont campus phone extension from the outside (i.e. off campus), the telephone area code and prefix for anyone that is part of the June 2014 move from the Milpitas to the Fremont campus is (510) **739**-XXXX. This is an important distinction, as the prefix for the extension of anyone on the Fremont campus prior to the Milpitas move is (510) **248**-XXXX.*

*On site, all Fremont phones can be reached by dialing only the four digit extension, regardless of the prefix. In addition, the main number for calling reception/the front desk from the outside is **(510) 248-2400**. To check voicemail remotely, you can call **(510) 248-2900** or **(877) 439-0811**.*

- **Facilities Service Requests**

To request facility-related services on the Fremont Campus (i.e. office/building repairs, gaining access, calibration, EH&S evaluations, janitorial services, room set-ups, space planning, temperature adjustments, etc.), you need to submit a Facilities Service Request, and there are three ways to do that:

- o *For routine, non-urgent requests, please submit a Facility Service Request via the Maximo system.*

The Maximo Service Request System is the preferred method for submitting routine, non-urgent Facility Service Requests. (Please note that the Maximo System is **not** for handling IT issues. For phone, telecom, computer, network access issues, please call Ext. **2300** or **(855) 561-4747**.)

To access the Maximo system, please go to <https://ecmms.jnj.com>. For instructions on how to use Maximo system, please [click here](#).

## Doing Business:

How do I get set up and find the support I need for my work as well as other services? (... continued)

- o For **urgent** Facility Service Requests or to ask a question, please call or email the Fremont Facilities Helpdesk.

From 8 a.m. to 5 p.m., Monday through Friday, a Facilities staff member at the “Live Helpdesk” will answer your call or quickly respond to your email regarding urgent Facilities Service Requests or to answer questions. Routine, non-urgent requests should be submitted via the Maximo Service Request System. (Please see links in the section just above on “routine, non-urgent requests.”)

**Facilities HelpDesk phone extension:** ext. 2411

**Facilities HelpDesk email:** In the J&J email system on Outlook, click on “To” and type in and send message to “**Fremont Facilities Helpdesk (CNRUS).**”

Examples of urgent requests would include:

- o Too hot or cold in an office or conference room
- o Water leak
- o Urgent Audio/Visual assistance needed in conference room
- o Unplanned visitor needs temporary office seating
- o No supplies in restroom
- o Short notice of an event or meeting that requires support

Examples of informational questions might include:

- o How can I reserve a bike locker?
- o What time is the last shipment for FedEx?
- o How do I use Maximo to submit a Facilities Service Request?

- **Office equipment and technical support**

- o *Phones and voicemail*

New phone numbers will be assigned to staff relocating from Milpitas to Fremont. Calls to Milpitas phone numbers will become inactive after June and will not forward, and the Milpitas voice mail system will be deactivated two weeks after the move.

Fremont uses the same voicemail system currently in use in Milpitas. Once moved, you will need to set up your new voice mail box. Please click on the following links for instructions for [initializing your new Fremont voicemail](#) and for a [reference guide to the Octel system](#).

**For remote access to the Fremont Voicemail System, please call (510) 248-2900 or (877) 439-0811**

# Doing Business:

## How do I get set up and find the support I need for my work as well as other services? (... continued)

The Fremont Move Leadership Team began communicating new phone numbers for the Fremont campus the week of May 12. Prior to your move date, it is suggested you begin informing people of your new phone number and move date. On your last day in Milpitas prior to the move, it is suggested you leave an outgoing message informing callers of your new number as messages will not be forwarded.

- o *Computers*

Computer support is provided via the Global Help Desk at **855-561-4747**.

- o *Copiers & Printers*

Copiers and printers on the Fremont campus are serviced by a vendor called Perfect Output, which reports to the Facilities department. To contact Perfect Output for service, please call **(866) 859-8593** or email [callcenter@perfectoutput.com](mailto:callcenter@perfectoutput.com).

- o *Email signatures*

Please click on the following link for [simple video instructions on how to create an email signature](#) with your new personal Fremont Campus contact information.

- **Ergonomics**

For assistance with ergonomic issues, such as adjusting office chairs or keyboard trays, please contact Anh Do at ext. **2447**.

- **Business cards (new or updating)**

To order business cards directly, you must have an ARIBA account and administrative rights to create purchase requisitions. Employees with ARIBA accounts needing new business cards can click on this [link](#) to submit their order. Employees without ARIBA accounts should contact their supervisor or administrative assistant to request new business cards.

Please note: All employees wishing to include a fax number on their new business card are encouraged to wait until after they move to Fremont before ordering new business cards. This will allow each employee to determine the most conveniently located fax/copier and include that particular machine's fax number on their business card.

- **Updating your address and contact information in JJEDS**

Following relocation to Fremont, employees should update their address and contact information in JJEDS. Please [click here](#) for step-by-step instructions on how update your personal JJEDS information.

## Doing Business:

- **Office supplies**

Each department is responsible for ordering and maintaining its office supplies, which can be ordered from various vendors using Ariba. Printer and copier paper is provided in copy rooms.

- **Mail, FedEx, and shipping/receiving**

Mail stops are strategically located around the office areas and can accept outbound interoffice mail, USPS and FedEx envelopes. During the course of the day, the Shipping & Receiving staff makes rounds to pick up and drop off mail and packages.

Shipping & Receiving is located in Building 3 at the West Shipping dock, and can be reached at ext. **2661**.

Shipping & Receiving hours are 8:30 AM - 5:00 PM, Monday through Friday. The last FedEx pickup time is 3:00 PM. Packages to be sent must be dropped at Shipping & Receiving before 3pm. (If a shipment requires packing, please deliver to Shipping & Receiving by 2:00 PM.)

If you have an outgoing package and there is not a technician in the Shipping & Receiving area, please leave the package along with a completed "Shipping Request Form." Forms are available at the Shipping & Receiving service window.

The **mailing address**, which is only for U.S. Mail being sent to campus, is:

LifeScan, Inc.  
6500 Paseo Padre Parkway  
Fremont, CA 94555

The **shipping address** is for anything to be delivered to campus either directly from a vendor or by FedEx, UPS, DHL or any delivery service other than U.S. Mail:

LifeScan, Inc.  
6422 Commerce Drive  
Fremont, CA 94555
